Introduction

From Concept to Reality: A Curated Guide to Our Product Samples

At the heart of exceptional design lies the power of choice—and our extensive collection of product samples is built to inspire, inform, and elevate every step of the creative process. This document serves as a comprehensive guide to our full range of samples, meticulously crafted to showcase the diversity, quality, and innovation behind our offerings.

Each chapter explores a distinct sample type, tailored to meet the specific needs of designers, architects, and clients seeking both functionality and aesthetic appeal. From our versatile **Mini Bases**, which demonstrate the breadth of our cabinet configurations, to **Door Samples** that redefine customization with fully personalized 12" x 15" formats, we provide tools that bring your vision to life.

Dive into **Color Blocks** for a hands-on experience with our rich color spectrum and surface finishes, or explore the **Fandecks**, a stunning overview of our Evolution Series materials. The **Moulding Box** offers a refined selection of hardwood profiles from our Café and Custom Series, while the **Metal Frames and Glass Doors** chapter presents our curated Trend Kit—highlighting a modern fusion of metallics and glass in a range of premium finishes.

Whether you're designing a single space or a full portfolio, our sample collection is your gateway to informed, inspired decision-making.

Overview of all three series in one pamphlet

Get a quick glimpse of NAC with this sleek trifold pamphlet. Featuring one striking project image per series, Café, Custom, and Evolution, and a brief overview of our design solutions, lighting & closets, and signature dovetail drawers. Printed on soft matte Lynx 11pt paper, this 8" x 11" (closed) / 24" x 11" (open) pamphlet is like a high-end business card in brochure format, a compact, stylish introduction to NAC.
