CUSTOM Series

The CUSTOM Series is our most premium, fully tailored offering—crafted for clients who expect design without limits. At North American Cabinets, creativity and technical mastery come together to deliver truly one-of-a-kind spaces.

Designed for clients who value exceptional design, the CUSTOM Series blends innovation, precision, and craftsmanship.

Every detail is made to order, from materials and door styles to construction methods, finishes, and architectural features.

If you can design it, we can build it.

Cabinet Box Construction

- Frameless
- Frame Inset : Beaded | Beveled
Cove | Step | Square
- L-Channel
- Gola Metal Channel

9 Cabinet Box Materials

- 5/8" Black Melamine
- 5/8" Charcoal Melamine
- 5/8" White Melamine
- 5/8" Maple Melamine
- 5/8" Nova White NU GREEN Particleboard
- 5/8" Sheer Linen Melamine
- 3/4" Birch Plywood
- 3/4" Walnut Plywood
- 3/4" White Finished Plywood

Dovetail Drawer Boxes

- Birch (*BLUM standard or push to open drawer slides*)

FRAMELESS / CABINETRY

Modern Look. Maximum Space.

Sleek, modern, and efficient, NAC's **Frameless Cabinetry** delivers a seamless look with maximum storage. Doors and drawers are mounted directly to the cabinet box, creating clean lines, precise alignment, and a refined contemporary style.

FRAME INSET / CABINETRY

Seamless Design. Perfect Fit.

Embody craftsmanship and precision with NAC's **Frame Inset Cabinetry** — where each door and drawer fits seamlessly within the cabinet frame for a clean, tailored look.

This timeless design showcases refined alignment and attention to detail. Available in five distinct styles — ***Beaded, Beveled, Cove, Step, and Square*** — each brings unique character and depth to both classic and contemporary spaces.

Beaded Inset

Beveled Inset

Cove Inset

Step Inset

Square Inset

CHANNEL / CABINETS

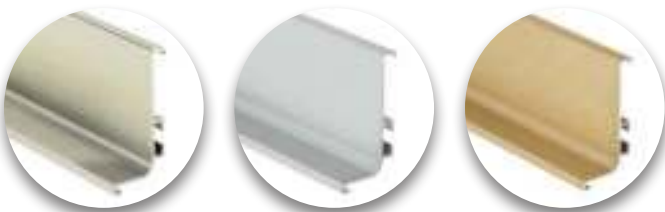

Designed for a sleek, handle-free aesthetic, NAC's **Channel Cabinetry** incorporates integrated channels that function as built-in pulls. This minimalist approach creates clean, uninterrupted lines while providing a comfortable, functional grip — the perfect balance of modern form and everyday practicality.

Gola Metal Channel *Integrated Pulls. Uninterrupted Design.*

Elevate your cabinetry with the **Gola Channel** — a sleek, recessed metal profile that creates uninterrupted lines and a refined, modern look.

Available in **Brushed Stainless Steel**, **Satin Aluminum** and **Satin Brass** with optional end caps for a polished look.

L-Channel Cabinetry

Ergonomic Design. Seamless Access.

Experience refined functionality with NAC's ***L-Channel*** cabinetry — designed for a sleek, contemporary look with effortless operation.

NAC's ***L-Channel*** design blends form and function, offering handle-free cabinetry that's both practical and elegant.

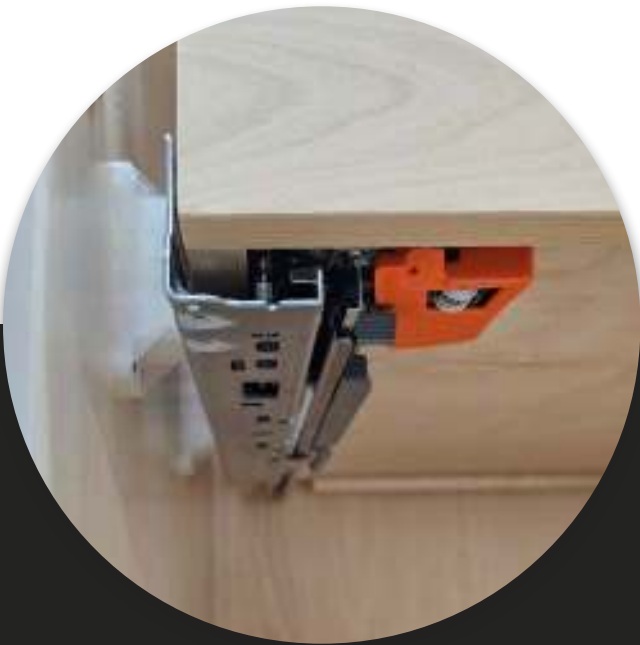

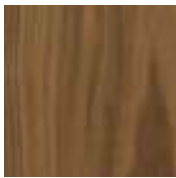

DRAWER BOXES / DOVETAIL

Artful Joinery. Exceptional Durability.

Each drawer box features expertly fitted dovetail joints for flawless function and a refined finish.

Available in premium hardwoods—**Birch**, **Walnut**, or **White Oak**—these drawers bring enduring strength and timeless elegance to every space.

Key Highlights

- Smooth Soft-Close Operation
- Concealed, Undermount Slides
- Full-Extension Access
- Supports up to 88lb (40kg)
- Upgrade to Heavy Duty Slides 154lb (70kg)

DRAWER BOXES / OPTIMIZ-R

Sleek Design. Silent Performance.

The **OPTIMIZ-R** drawer system from Richelieu Hardware combines refined design with exceptional functionality. Its slim, double-wall metal construction maximizes storage space while maintaining a contemporary aesthetic.

Available in **Anthracite Grey**, **Black** and **White**, the **OPTIMIZ-R** complements any design style with its clean lines and modern appeal.

Key Highlights

- Developed in North America
- Tailored for Frameless Cabinets
- Smooth Soft-Close Operation
- Concealed, Undermount Slides
- Full-Extension Access
- Supports up to 100lb (45kg)

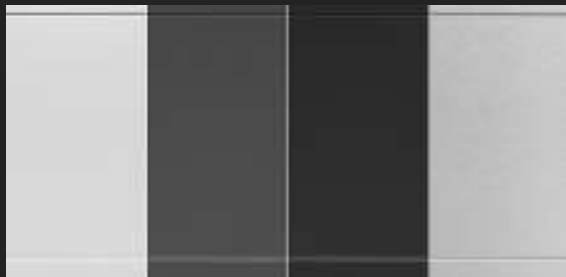

DRAWER BOXES / LEGRABOX

Minimalist Style. Maximum Performance.

Legrabox Pure combines sleek, minimal design with advanced functionality. Featuring Blumotion soft-close technology and optional push-to-open, each drawer closes effortlessly and quietly.

Available in **Carbon Black**, **Orion Grey**, **Silk White**, and **Stainless Steel**.

Key Highlights

- Smooth Soft-Close Operation
- Concealed, Undermount Slides
- Full-Extension Access
- Supports up to 88lb (40kg)
- Upgrade to Heavy Duty Slides 154lb (70kg)

DOOR / STYLES

Tailored Design. Elevated Craftmanship.

With NAC's Custom Series, your design possibilities are limitless. Choose from a wide selection of door styles — from classic **5-Piece** Mortise-and-Tenon or Mitered doors to sleek **1-Piece** and **Hybrid 2-Piece MDF** — or work with your project manager to find the perfect custom style.

Expertly crafted for flawless fit, lasting durability, and refined detail, each door transforms cabinetry into a statement of sophisticated design.

Blum's CLIP top BLUMOTION Hinges

Experience seamless motion and silent precision. Engineered for flawless performance, these hinges bring effortless elegance to every door, every time.
