Each door and drawer connects directly to the cabinet box, creating clean lines, precise alignment, and a fresh, contemporary vibe.

FRAMELESS / CABINETRY

Modern Look. Maximum Space.

CHANNEL / CABINETS

Designed for a sleek, handle-free aesthetic, our channel cabinetry incorporates integrated channels that function as built-in pulls. This minimalist approach creates clean, uninterrupted lines while providing a comfortable, functional grip — the perfect balance of modern form and everyday practicality.

Beveled Channel *Refined & Ergonomic Access.*

The **Bevel Channel** delivers a minimalist, handle-free look with ergonomic access, slab doors, a 45° bevel, and matching material finish.

A refined choice prioritizing simplicity over grip space, it's the sole channel defined by a required bevel.

Gola Metal Channel

Integrated Pulls. Uninterrupted Design.

Elevate your cabinetry with the **Gola Channel** — a sleek, recessed metal profile that creates uninterrupted lines and a refined, modern look.

Available in **Brushed Stainless Steel**, **Satin Aluminum** and **Satin Brass** with optional end caps for a polished look.

L-Channel Cabinetry

Ergonomic Design. Seamless Access.

Experience refined functionality with NAC's ***L-Channel*** cabinetry — designed for a sleek, contemporary look with effortless operation.

NAC's L-Channel design blends form and function, offering handle-free cabinetry that's both practical and elegant.

DRAWER BOXES / DOVETAIL

Artful Joinery. Exceptional Durability.

Each drawer box features expertly fitted dovetail joints for flawless function and a refined finish.

Available in premium hardwoods—**Birch**, **Walnut**, or **White Oak**—these drawers bring enduring strength and timeless elegance to every space.

Key Highlights

- Smooth Soft-Close Operation
- Concealed, Undermount Slides
- Full-Extension Access
- Supports up to 88lb (40kg)
- Upgrade to Heavy Duty Slides 154lb (70kg)

DRAWER BOXES / OPTIMIZ-R

Sleek Design. Silent Performance.

The **OPTIMIZ-R** drawer system from Richelieu Hardware combines refined design with exceptional functionality. Its slim, double-wall metal construction maximizes storage space while maintaining a contemporary aesthetic.

Available in **Anthracite Grey**, **Black** and **White**, the **OPTIMIZ-R** complements any design style with its clean lines and modern appeal.

Key Highlights

- Developed in North America
- Tailored for Frameless Cabinets
- Smooth Soft-Close Operation
- Concealed, Undermount Slides
- Full-Extension Access
- Supports up to 100lb (45kg)

DRAWER BOXES / LEGRABOX

Minimalist Style. Maximum Performance.

Legrabox Pure combines sleek, minimal design with advanced functionality. Featuring Blumotion soft-close technology and optional push-to-open, each drawer closes effortlessly and quietly.

Available in **Carbon Black**, **Orion Grey**, **Silk White**, and **Stainless Steel**.

Key Highlights

- Smooth Soft-Close Operation
- Concealed, Undermount Slides
- Full-Extension Access
- Supports up to 88lb (40kg)
- Upgrade to Heavy Duty Slides 154lb (70kg)
